NOTIFICATION

In view of bringing administrative and academic reforms in the field of education through the use of information technology for delivery of efficient services to all stake holders, the UGC has decided to implement "National Academic Depository (NAD)" project across the country through single depository system, 'Digilocker'. As a pre-requisite of implementation of NAD project in BCKV every student should be registered in NAD Digilocker and Academic Bank of Credits (ABC).

It is therefore directed to all the students to register themselves to the Digilocker and create their individual Digilocker Ids' and ABC Ids' through the portals <http://nad.digilocker.gov.in> and <http://www.abc.gov.in> respectively. Registration to NAD Digilocker and ABC is henceforth considered mandatory for publication of result and obtaining degree.

For facilitating quick implementation of Digilocker programme a google form will be sent to each students for filling up necessary information that includes Digilocker Id, ABC Id and other essential data and submit within seven days of receiving the specific form.
