NOTICE

It has come to the attention of the University Authority that a poster containing communal hatred and offensive statements was pasted within the campus of Bidhan Chandra Krishi Viswavidyalaya (BCKV). Such a deplorable act is strongly condemned in the harshest terms by the University administration.

This malicious act has been committed by certain anti-social and anti-establishment elements who are wilfully attempting to damage the reputation of BCKV and disrupt its academic environment. These individuals are acting against the foundational values of our University—academic excellence, integrity, and social responsibility. Such actions not only vitiate the teaching and research environment of the University but also pose a direct threat to the dignity of an institution devoted to the service of its students and the farming community.

The University authorities shall take maximum effort to identify the culprits and initiate appropriate disciplinary and legal action. Strict punishment shall be imposed on those found guilty, as per the rules of the University and the law.

All members of the BCKV community are hereby urged to stand united against such miscreants and corrupt elements, whether within the campus or in the broader society. Let us work collectively to uphold the dignity of BCKV and ensure a free, fearless, and peaceful academic atmosphere conducive to learning, innovation, and societal contribution. This is a collective responsibility, which must be upheld by all to preserve the honour and ethos of our esteemed institution.

Let us remain vigilant, report such activities promptly, and ensure that no space is given to divisive or disruptive forces within our academic premises.
