Dear Vice Chancellor,

It was a pleasure to preside over the Convocation of Bidhan Chandra Krishi Viswavidyalaya at Mohanpur on 19.05.2023.

This is to place on record my appreciation of the activities of the students, the faculty, the agricultural scientists and all those associated with BCKV for their academic pursuits and researches in emergent agricultural and allied subjects.

I wish the University the very best in the service of society.

With regards,

Yours sincerely,

Dr. C. V. Ananda Bose
